ABSTRACT ARTIST

ABOUT ME

I am an emerging artist/ abstract painter with the primary medium of acrylics. I also enjoy using mixed media, gold leaf, and pastels in my work.

I started painting in 2019 and am largely self-taught. Painting brings me the freedom to ask questions and explore new creative concepts in collaboration with the canvas.

ARTIST STATEMENT

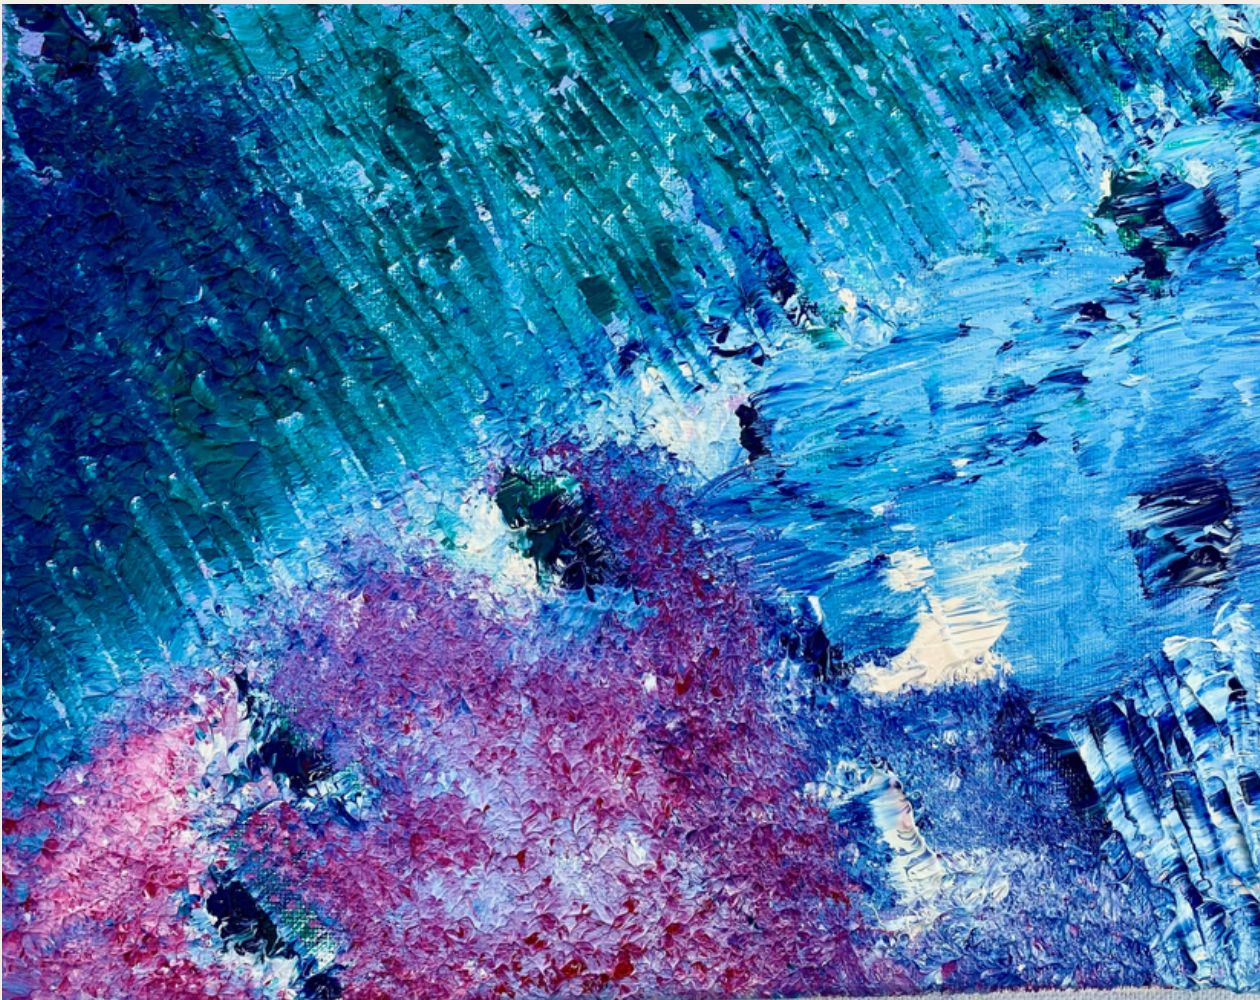

Art to me is a spiritual practice. I believe to be touched by art is to touch the soul and the spirit within. I practice art for as a pathway to deeper meaning, understanding, and connection.

My hope is that my art inspires others to peel back layers of who they are, look within, and have the courage to share the most vulnerable parts of themselves - in acceptance of the humanity, that unites us all.
